

# 2020 Thanksgiving Tournament Statistics

STEAM For All

November 2020

**Note:** Some of this data is mildly inaccurate due to the fact that some participants submitted correct answers, but included words in their answer, such as *5 empty seats*. At the event, we tried to mitigate this by explicitly telling participants to submit integers only.

## 3rd-4th Grade Round 1

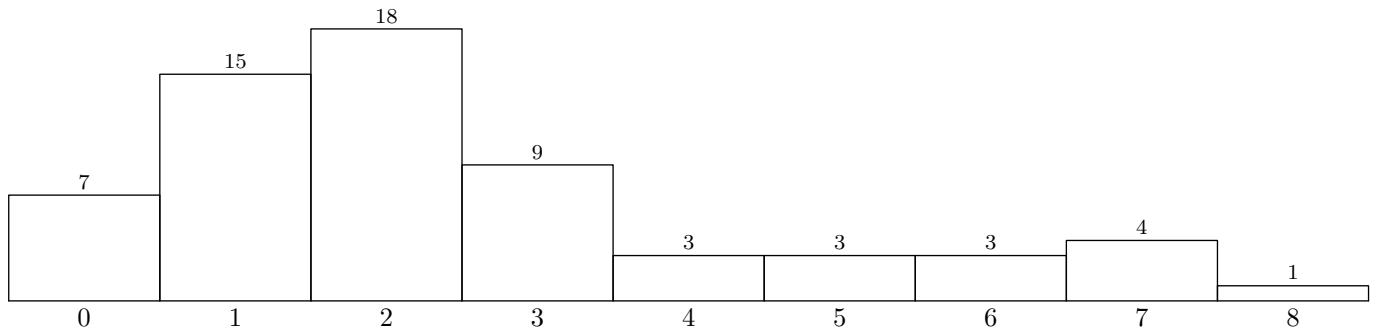

**Number of Participants:** 63

**Mean:** 2.52

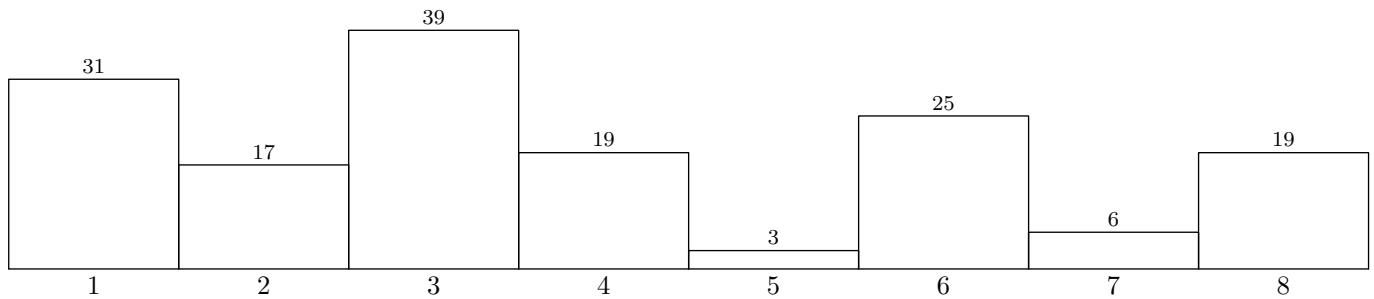

**Least Missed Question:** 3

**Most Missed Question:** 7

### Score Distribution

**Item Difficulty** (Number of Correct Responses to Individual Questions)

### **3rd-4th Grade Round 2**

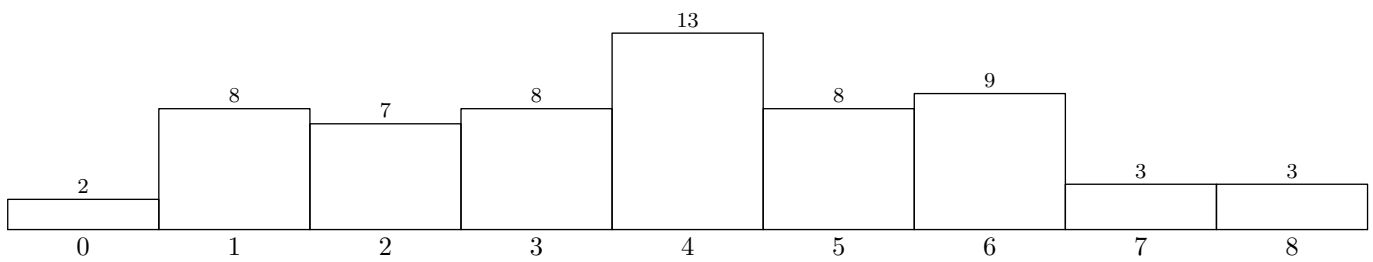

**Number of Participants: 61**

**Mean: 3.89**

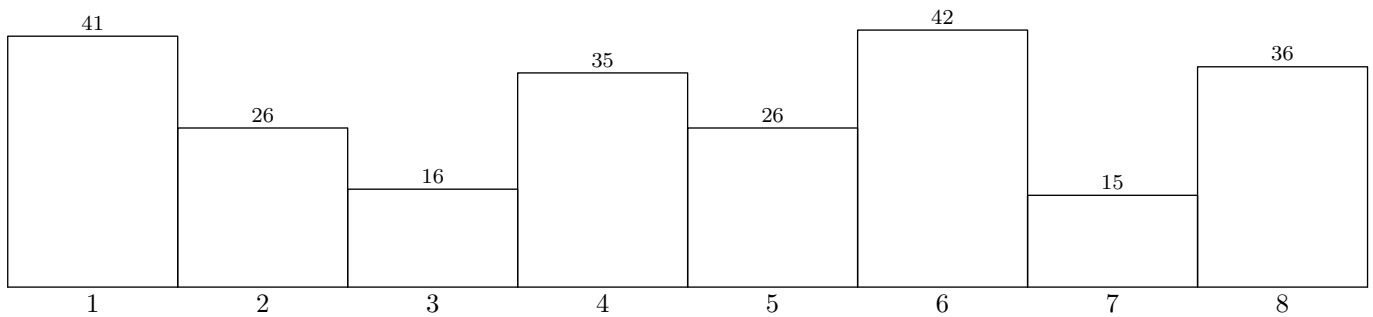

**Least Missed Question: 6**

**Most Missed Question: 7**

#### **Score Distribution**

#### **Item Difficulty (Number of Correct Responses to Individual Questions)**

### 5th-6th Grade Round 1
